

The Gift of Tithing

Tithing is one of the most powerful of all spiritual teachings. By returning to God the first 10% of our harvest, we ensure an open channel of flow and abundance. If we don't tithe, we withhold from ourselves the greatest of all gifts: the comfort and serenity of knowing God is our unlimited source for all we need.

Why Tithe to Our Association?

1 The Storehouse

We are taught in Malachi 3:10: "Bring the whole tithe into the storehouse, so that there may be food in My house, and test Me now in this," says the Lord of hosts, "if I will not open for you the windows of heaven and pour out for you a blessing until it overflows." Our Association is like a storehouse for our member ministries. The tithes received from member ministries allow our Association to offer support in a variety of ways to each of our ministries. As each ministry tithes, the entire movement is lifted.

2 Spiritual Work

In his book Prosperity, Charles Fillmore tells us, "The tenth should be set aside for the upkeep of some spiritual work or workers." Our Association's strategic plan with its bold intentions and measurable goals will have a tremendous impact on our movement and our world. Doing this important spiritual work is at the core of our reason for being.

3 Acknowledging Spiritual Food

In her book *Secret of Unlimited Prosperity*, Catherine Ponder writes, “You must share your substance to insure continuation of your substance.” If your ministry is being nurtured by the programs and services of our Association, such as youth curriculum, tax exempt status/tax advice, ministry and employment support, etc., a tithe to our Association acknowledges that blessing and ensures more.

4 Stepping into Flow

We acknowledge that some members may not always feel they have been spiritually fed by our Association. While we are intently focused on improving our programs and services, we also know that one need not wait to receive in order to give. In his book *Prosperity*, Charles Fillmore reminds us that the act of tithing releases unlimited supply. We have the power to inspire the gifts we desire. By giving before we receive, we actually create a dynamic which must result in the opening of flow into our ministries.

5 Taking Ownership

Imagine what your ministry can accomplish with a growing core of committed members who are dedicated to the well-being of the ministry and who demonstrate that through tithes of all types. This core feels a sense of ownership for their spiritual community. They pitch in to make it what it is, while they grow through the act of giving. The HIGH 5 and Partner’s Circles are an opportunity for your ministry to become part of our Association’s core of committed members who in turn make our Association what it is. We hope you will prayerfully consider this opportunity for your ministry.
