

How to use this packet

This packet contains several items to support you in creating a culture of tithing for your entire ministry and to help you discuss the subject of tithing to our Association with your board trustees. We suggest the following action steps:

1. Implement a board prosperity course/retreat. We recommend you use the information in the Practice of Thriving program (also available as a benchmark in Thriving in Unity 1.0 and 2.0). You can download this program from unity.org/thrive.
2. Dedicate all or a portion of your board meeting with the intention of setting a field of prosperity and culture of tithing in place for your financial year.
3. The minister(s) and board chair read the Celebration Circles Brochure and watch the DVD. Together you can plan the board discussion.
4. At the meeting, hand out the quote/affirmation cards and ask all trustees to use the cards during their prayer and meditation time to hold a consciousness of prosperity and tithing for the ministry.
5. Show the DVD and present highlights from the brochure. You can make the brochure available to all board members by photocopying it or by downloading a printable version at unity.org/CelebrationCircles.
6. Hand out the article entitled Why Tithe to Our Association. You may wish to cite examples of Association products/services your ministry uses.
7. Present the three levels of tithing (3%, 5% and 7.5%) and discuss which fits best for your ministry at this time.
8. Complete the enrollment form, found in the Celebration Circles Monthly Tithing Booklet, and return it to our Association home office.
9. Continue using the quote/affirmation cards at each monthly board meeting and continue prosperity education within your ministry.
10. Complete the subsequent tithing forms for each month and return them to the Association home office along with your tithe check. Every month, fill in the tracking sheet on the back of this page.
11. At the end of the year, send in a copy of your tracking sheet to our Association home office and enjoy your recognition at the 2010 convention. Provide us with feedback on how your ministry was impacted by a conscious focus on prosperity.
12. We thank you for your willingness to support the on-going development of our Unity ministries and leaders through our Association. Celebrate that you are open to the flow of prosperity from the inexhaustible Source!
