Subject: Hope from Hazelden for HIV treatment

Have you ever wished for a wonder drug you can give your HIV clients?

Actually, there is such a thing. It's called inspiration.

Research is pointing to the effectiveness of spirituality and psychosocial influences in improving outcomes from HIV and other immunological disorders.

Hazelden can help your clients keep a positive outlook despite a positive diagnosis. There's help for you, too, and for your treatment resources budget.

Right now you'll save 40% on our HIV package, which was specially created for treatment groups. It includes one video, one pocket-sized health guide for professionals, and 10 meditation books for your clients to read on their own.

HIV: Positive video Testimonials by people living with HIV will inspire and inform your clients.

HIV/AIDS: A Pocket Health Guide This handy reference tool offers professionals practical, medical, and spiritual guidelines for helping others live with HIV.

The Color of Light Daily meditations on living with AIDS will touch the heart and strengthen the resolve of your clients.

You'd pay \$366.50 if you bought everything separately. But now through June 30, 2002, you pay just \$225.00.

To order, call 1-800-328-9000 or visit www.hazelden.org/bookplace. Please specify product number #0368 and priority code WWCT01.

As always, your feedback is important to us. Please call your Hazelden representative to learn more about our resources or to share your comments.

Thank you, Hazelden Publishing and Educational Services
