

Report from Action Team on Practicing and Promoting Spiritual Principles

Ideas:

Online spiritual resources database containing both official and unofficial curriculums, past family group material from chapter, regional, and international events, and list of locations of available resources. These resources include but are not limited to, curriculum workbooks, homemade lesson plans, and additional learning materials. *Date set for beginning collection of resources and curriculum is 10/1/2008.*

Encourage an improved youth chaplain program by increasing the availability of resources available to individual chapters and congregations, as well as implementing at the regional and international levels some form of organized youth chaplains.

Encourage and facilitate the creation and expansion of curriculums for use in YOU at all levels, including Individual, chapter, regional, and international through collaborations with the Association of Unity Churches International. These curriculums include subjects such as metaphysical Bible, inter-religious studies, and returning to the Christian roots of unity. *Date set for establishing open communications with the association office about curriculum is 9/1/2008.*

Make available for YOUers on a worldwide level textual and written resources in their primary language including curriculums, and the writings of unity teachers.

To create more awards for spiritual development with an increasing difficulty to attain them, allowing use have a valid scale to base the spiritual development and dedication of our leaders to insure that our youth spiritual leaders are maintaining a level of spiritual awareness represents the greatest ideals of the organization. *Date set to have an analysis of the available awards and to begin to design new awards to fill in any voids is 10/1/2008.*
