Dear Mr. Fillmore
Just a few ^{lines}
that you may
know that dear
Royal is doing
nicely and has
shown great
improvement
already. It will
interest you to

know that he
has taken a
positive spiritual
stand in regard
to medicines which
they are evidently
accustomed to give
here in cases of
this kind. The
doctor appear

To respect their
attitude and
are fine about it.
I believe they
consider it quite
an honor to have
us here. I am
of the firm opinion
that the experience
that Royal is just

now passing
through will
prove a great
blessing to him.
For he seemed to
realize and be
thoroughly awake
to the fact that
he had not given

sufficient attention
to spiritual things
in the past and
now at his request
we are reading
and studying
together Christian
Healing and it
is not difficult

To see that it
means more
to him now than
any time in the
past. So that now
with his spirited
affirmation and
prayer he realizes
that he is already
healed. He is

struckly on a fruit
and vegetable
diet and his
legs have become
greatly reduced
already. We have
a delightful room
together over
looking beautiful
trees in which
black squirrels

Dear Mr. + Mrs. Hillman,

It seems a most fitting day for me to express to you my deep appreciation for your many, loving thoughts and consideration of me since coming here to make my abode.

not very clear to
me just as yet
but in time I am
sure it will be
made so.

So again thanking

have been of a little
cheer and help to
him at the last has
been of little consolation
to me and I often

I do not think

why I should

I simply want
