

THE WIDDORS HOTEL

Friday MONTREAL July 27-23

Dear Charles -

We returned from
 Grand Isle, where Mr Barker
 entertained us since Tuesday,
 last night - have taken a little
 trip round Montreal in the rain
 today + Royal has attended some
 business which was given him to
 look after and now we are
 ready to take the steamer up
 Saguenay River + Quebec. It was
 so cold I had I get me a warm
 sweater + over shoes - Royal is
 hurrying me so. I can write
 no more. He is looking much
 better. I's been a fine trip.
 Will be home next week.
 Our love + blessings to
 You all - my etc
