

Silent Unity

Prayer Service
September 2017

It is not I, but the Christ within who does the work.

As we enter a new season in our yearly cycle, we acknowledge the divine order that is manifesting all around us. The beauty that appears in the ripening grain, the subtle changes in the trees all serve to remind us that our lives are also in divine order. We acknowledge the presence of Spirit expressing as order in all things as we turn inward in this time of prayer.

I relax in the peace of Spirit.

I breathe deeply and fully as I enter the inner realm where peace abides. As a spiritual being, peace is inherent in my being. I am serene and grateful for this time of prayer. Centering myself in this peace, I release all concerns. I am at ease. I relax completely as I move into the Silence ... ≈

I walk a path of divine light and wisdom.

I navigate my life journey with confidence for I know that God is always with me. I have instant access to divine wisdom and understanding. I make wise decisions. With every turn in the road, new revelations unfold, leading me in ways that bring forth my highest good. I align with divine light as I pray in the Silence ... ≈

Divine life restores my body to its natural state of wholeness.

My body is a marvelous creation. Every cell is attuned to the pattern of perfection in which it was created. I trust the wisdom of Spirit at work in my body as every cell is renewed and I am constantly revitalized. I breathe in wholeness as I pray in the Silence ... ≈

I joyously anticipate new adventures in prosperous living.

My life is an unfolding adventure filled with abundant blessings. I call to mind all the ways Spirit has prospered my life with rich experiences, love, and resources. I am filled with gratitude. I wait in expectation of continued good unfolding as I pray in the Silence ... ≈

I act with reverence for all and contribute peace to the world.

I am filled with awe as I experience my oneness with all of creation. Everything in our world is divinely created in love and is an expression of God's love. With love in my heart and reverence for all life, I think and act in ways that bless my world with peace, in the Silence ... ≈

As we prepare to return to the tasks of our day, we carry with us this reminder that we are ambassadors of peace. We allow divine intelligence to guide us as we do the work that is ours to do. We are the light of God in expression and contribute to a love-filled planet. Let us end with our "Prayer for Protection":

**The light of God surrounds us;
The love of God enfolds us;
The power of God protects us;
The presence of God watches over us.
Wherever we are, God is!**
