SUPPORT UNITY AND ADD YOUR OWN TRIBUTE TO THE PRAYER GARDEN

In 2013 the Unity Tower was completely restored, and a prayer garden was created surrounding its base, as a tribute to Unity cofounder Myrtle Fillmore's ministry of healing. You can honor or remember a loved one, or add your own tribute to the prayer garden, by requesting a paver stone personalized with your own message. With your gift to Unity your stone will be placed in the walkway encircling the Tower.
