

Message of Hope Application for Health Care Institutions

The mission of the Message of Hope outreach is to share the assurance of God's love and grace with those who might otherwise be without inspiration by distributing free literature to individuals, the visually impaired, hospitals, hospices, long-term care facilities, prisons, and correctional institutions.

It is the deepest desire of Unity that Message of Hope outreach meets its intended mission of sharing the assurance of God's love, help, and support. Therefore, every participating institution **must complete the application below** to be considered for the program. The free literature provided by Message of Hope may not be resold or distributed outside of the applying institution.

Please complete the application in its entirety and please return to:
