

# *Splendor* OF GOD'S CREATION

## CANADIAN ROCKIES BY TRAIN

June 24–July 2, 2017

---

### *An Invitation From Rev. Mark Fuss*

Myrtle Fillmore, Mother of Unity, once said, “Nature is surely the glorified face of God. See the beauty about you and ... see the manifestation of the Infinite Mind.” I hope you will join us on this spiritual and educational journey through the Canadian Rockies as we explore and experience the splendor of God’s creation. Spiritual programming during our trip will include *Daily Word*® meditations where possible. Our opening session will include an exploration of early Unity teachings and the influence of transcendentalism. Like Unity, this spiritual movement believes in the essential goodness of humankind and of nature. The Unity mission is to help people discover the power within them and unleash their divine potential. Together we will stand in awe as we see the face of God in the beautiful Canadian Rockies.
