HOW PHYSICALLY DEMANDING IS THIS TOUR?

Per Collette: "This tour includes moderate physical activity. Walking tours, as well as walking slightly longer distances, upstairs, or on uneven walking surfaces should be expected. Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas. For your comfort, we recommend bringing walking shoes. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you." Our Unity hosts, Rev. Mark Fuss and Cheri Jamison, will be along to assist our guests, stopping when we need to, and making certain we are all cared for!
