

# Unity Prayer Service

June 2023

**E**very hour of every day, Silent Unity® responds to prayer requests from all around the world. We are united with those requesting prayer and those who join with us in prayer. Here and now, as we pray together, we are linked in a tradition that affirms the power of God and our unity with God.

## Every beat of my heart radiates divine love, the harmonizing power.

*I am one with the harmonizing power of divine love. Whenever I find it hard to be loving, I turn to divine love by which I harmonize my thoughts and realize my true nature, which is love. By the radiating power of divine love, I am loving ... ≈*

## I breathe into the healing power of God, the renewing pulse in my body, mind, and spirit.

*Healing is natural to me as I become a silent witness to the magnificent power of divine life in my body, mind, and spirit. I dwell upon the amazing capacity of wounds to heal and challenges to be overcome. I am renewed as I pray ... ≈*

## All wisdom is within. I turn within to know all I need to know, in the Silence.

*Let me be still now, and silent, receptive to the gentle flow of inner wisdom. I do not scatter my attention by grasping for answers all around me. Instead, I am still, and silent, attentive to divine wisdom. Still and silent ... ≈*

## Celebrating unexpected blessings, I live well today.

*My eyes are open to notice the untold ways that I am blessed. I cherish unexpected kind words, thoughtful gestures, landscapes, nourishment, and every kind of blessing. I behold the beauty in each person I connect with, receiving their presence as a gift. I pray in gratitude for living well today ... ≈*

## One with God and one with all, I am a peaceful presence.

*As I pray for peace in the world, I affirm I am a living expression of peace. God's peace is my peace, flowing from within my prayerful mind and heart. I affirm my unity with all people and know that peace begins within me ... ≈*

Fortified by prayer, we renew our spiritual sense of purpose, which is to be the light of the world. We agree to shine the light of love, life, wisdom, and peace into the moments going forward. Let us close by reciting the "Prayer for Protection" together:

**The light of God surrounds us;**  
I AM light.

**The love of God enfolds us;**  
I AM love.

**The power of God protects us;**  
I AM power.

**The presence of God watches over us.**  
I AM presence.

**Wherever we are, God is!**  
I AM Divine.
