

# Unity Prayer Service

March 2022

**D**evoting time for prayer is like clicking the refresh button on our devices. As we begin, we are aware of our collective intention to refresh, reset, and renew. Breathing, we slow and still, linking our individuality with the one mind—God. Centered in the great Source of all good we could imagine, we begin.

## Thoughts, be still. Let there be peace.

*Diving deeply within, I enter my sanctuary of peace, where God is and I AM. As modeled by the Christ of Jesus, I command the sea to calm. Every thought and emotion is stilled in reverence. Every concern moves toward peace. In peace, I renew, as I pray in the Silence ... ≈*

## By the power of divine wisdom, I know the way to go.

*I release any thought pattern leading to worry or anxiousness, turning my mind to divine wisdom. Divine wisdom is the way of God—the way of intuition and discernment. Step by step, confidently, I proceed. I am wise with the wisdom of infinite mind, as I pray ... ≈*

## I am one with and now fully manifest vigorous life.

*I am free from thought patterns that leave me feeling vulnerable or weak. I am one with infinite life that is always in motion and always flowing forward, onward, and upward. I celebrate life as I emphasize well-being now, in this moment of prayer ... ≈*

## God is the source of all good I can imagine.

*Any longing of my heart, any hope in my mind, responds to my knowledge of God, of good. I am centered in pure awareness, certain of my rightful claim on plenty and prosperity. With God as my source and overflowing resource, I manifest good, in the Silence ... ≈*

## I am a radiating center of peace, blessing the world.

*May I know my role as a center of peace. May I be vigilant about my thoughts so that I consciously contribute to the possibility of peaceful interactions throughout the human family. Centered in one mind, one source of peace, may I be a blessing in the world. This I pray, in the Silence ... ≈*

May peace, wisdom, and life be our guiding principles as we close our prayer session. We are spiritually refreshed, reset, and renewed. Blessing those with whom we pray, blessing all, we conclude with the “Prayer for Protection”:

**The light of God surrounds us;**  
I AM light.

**The love of God enfolds us;**  
I AM love.

**The power of God protects us;**  
I AM power.

**The presence of God watches over us.**  
I AM presence.

**Wherever we are, God is!**  
I AM Divine.
