

Unity Prayer Service

December 2023

In the season celebrating the birth of Jesus, our model for spiritual living, we dedicate this time to pray and reflect on the truth of our divine nature, the birth and every-moment rebirth of Christ consciousness. We amplify our innate qualities of faith, love, wisdom, and life, as we begin our prayer time.

With expectant faith, I am optimistic and confident.

Although I cannot see far ahead, I trust the path forward. By the power of faith, I am propelled toward the achievement of my deepest desires and highest intentions. I see with eyes of faith the promises fulfilled well ahead of my arrival there. I remain eager, optimistic, and confident ... ≈

Centered in peace, I broadcast peace on earth and goodwill to all.

I emanate the Christ consciousness of peace. I let my circle of peace expand to bless all beings, envisioning a world where love and compassion direct every thought and action. I let peace flow from me to everyone I meet. I share peace and glad tidings with the world ... ≈

I demonstrate the harmony of love through kind thoughts and acts.

In the spirit of the season of giving, I give love. I give the gift of harmonious thoughts to the world, quelling unrest in the presence of pure divine love. I give the gift of generosity and kindness to everyone I meet. I AM a living, loving reflection of divine love ... ≈

Knowing God is my source, I count my blessings and spread joy.

In a spirit of joy, I deepen my awareness of the law of increase. Abundance flows as I give, and with a grateful heart, I receive. In this joyous circle of giving and receiving, I prosper. I joyfully celebrate each opportunity to bless and to be blessed ... ≈

I celebrate the birth of Christ consciousness within my body, mind, and spirit.

I celebrate my divine identity, the birth and every-moment rebirth of life, love, and wisdom within me. One with Jesus and all who have demonstrated God consciousness in human form, I AM divine. I pray that I might more fully realize my divine nature and potential ... ≈

As we conclude our prayer time, we remain in the state of expectant faith, peace of mind, harmonious love, and spiritual joy. Every day, we desire to realize a rebirth of our divine identity, a gift we present to the world by our presence. As we close, let's join in the "Prayer for Protection" together ...
