

# Unity Prayer Service

July 2022

“**A**gree with God, and be at peace; in this way good will come to you” (Job 22:21). We command our minds to come into agreement as we begin our prayer time. Breathing, centering, slowing, and attending, we prepare heart and mind to realize our unity with God. Every heartbeat is in agreement, and every thought in unity.

## I relax into stillness and peace.

*Turning inward, becoming still from within, I relax my hold on thoughts and emotions. My body and brain respond to the command of my word. I agree with divine peace, by which each of my concerns softens. In the presence of peace, I experience deep peace ... ≈*

## I thrive in the healing stream of divine life.

*I agree with God, the source of eternal vitality. Whenever I feel weak or unwell, I turn to life. I agree with an ever-flowing stream of life continually renewing and blossoming in every way. I celebrate my capacity to heal and to thrive each day, nourishing my divine life ... ≈*

## God is my strength; therefore, I am strong.

*Whenever winds of challenge or change blow, I am able to stand steady and stable, for God is my strength. I agree with spiritual strength, as I persist in knowledge that I am always grounded in God. I am strong, stable, courageous, and tenacious ... ≈*

## Centered in God, my hopes and dreams blossom.

*I agree with God and my God-nature. By the power of divine abundance, I am able to notice and appreciate the good that is in front of me. By the power of plenty, I peacefully and passionately pursue my dreams ... ≈*

## I live in the harmony of divine love.

*Through times of joy and sorrow, I rely upon divine love flowing from within. I agree with the love that is God, the love that is my God-nature to extend compassion, kindness, unity, and harmony in every circumstance. As I agree with divine love, I am the pure and powerful gift of love in the world ... ≈*

In unity with God and with one another, we are in a state of agreement. We agree with the good that becomes possible by recognizing and claiming the powerful peace, life, strength, abundance, and love that is God. May we each live into our claim throughout the days ahead, as a blessing in this world. Let us together recite the “Prayer for Protection”:

**The light of God surrounds us;  
I AM light.**

**The love of God enfolds us;  
I AM love.**

**The power of God protects us;  
I AM power.**

**The presence of God watches over us.  
I AM presence.**

**Wherever we are, God is!  
I AM Divine.**
