HOLY SPIRIT

Orig Mass
The pent-up power in Jesus was released by Christ, the High Self and became in Jesus Holy Spirit. In Jesus in his unregenerate state it was part spirit and part flesh, but in the final radiation of the spirit personality it became wholly spirit-Holy Spirit. Some persons know the Spirit while others are possessed by it.
The people are hungry for the truth. Never in the history of the world have the masses been so prosperous, so many comforts and amusements as in this age, yet they are not happy. They want long for that undefinable something which alone would bring the greatest happiness and satisfaction known to man. That something is the realization within the

But many souls, that home in former incarnations been followers of the Christ, find themselves in this life encumbered about with so many material interests that they fail to revive the submerged spiritual life.
as they go down to the grave, again without discovery of the Holy Spirit. Christ saith that way but they do not entertain Him.

One sure sign that the Holy Spirit is present is the Spirit of humility is manifested. The arrogant, dictatorial, self-willed person becomes meek and lovely.
This was recorded in Saul 6 of Traces, who, when converted, changed his name to Paul. (Cattle) King Saul is described as head and shoulders above his fellows. He had large personalty. (St. Paul)

How do you know whether or not you have the Holy Spirit? "By this fruit, ye shall know them.

Paul answers this in his letter to the Galatians: "The fruit of the Spirit is love, joy, peace, long-suffering, kindness, gentleness, self-control; against such there is no law."
Kindness, goodness, faithfulness, meekness, self-control.

Empty yourself of pride, selfishness, ambition, self-seeking, conceit, self-sufficiency.
The Holy Spirit is the Divine Law at work, and count which we must cooperate. We can separate ourselves from the Holy Spirit and live in a consciousness, or world in which we will to ignore it. When we do this we construct phenomenal

to destroy our civilization. While if we cooperate with Holy Spirit she will work with us to make the desert bloom like the rose. Man works in a garden of God in ignorance of Holy Spirit until he begins to recognize in his proper mediation that it is the animate
principle of nature, for if I go not away the Comforter will not come unto you; but if I go, I will send him unto you. The Greek word from which comfort is derived means not only to comfort but to be an Advocate and helper, strengthen, upholder.
